| THIS DOCUMENT RELATES TO:<br><br>Automobile Dealership Actions | |

**FINAL JUDGMENT APPROVING SETTLEMENT AGREEMENT BETWEEN DEALERSHIP PLAINTIFFS AND DENSO CORPORATION, DENSO INTERNATIONAL AMERICA, INC., DENSO INTERNATIONAL KOREA CORPORATION, DENSO KOREA AUTOMOTIVE CORPORATION, DENSO AUTOMOTIVE DEUTSCHLAND GMBH, ASMO CO., LTD., ASMO NORTH AMERICA, LLC, ASMO GREENVILLE OF NORTH CAROLINA, INC., AND ASMO MANUFACTURING, INC.**

This matter has come before the Court to determine whether there is any cause why this Court should not approve the settlement between Dealership Plaintiffs ("Plaintiffs") and Defendants DENSO Corporation, DENSO International America, Inc., DENSO International Korea Corporation, DENSO Korea Automotive Corporation, DENSO Automotive Deutschland GmbH, ASMO Co., Ltd., ASMO North America, LLC, ASMO Greenville of North Carolina, Inc., and ASMO Manufacturing, Inc. (collectively, "DENSO Defendants") set forth in the Settlement Agreement ("Agreement"), dated July 14, 2016 relating to the above-captioned actions (the "Actions"). The Court, after carefully considering all papers filed and proceedings held herein and otherwise being fully informed in the premises, has determined (1) that the settlement should be approved, and (2) that there is no just reason for delay of the entry of this final judgment approving the Agreement ("Final Judgment"). Accordingly, the Court directs entry of Final Judgment which shall constitute a final adjudication of the above-captioned Actions on the merits as to the parties to the Agreement. Good cause appearing therefor, it is:

**ORDERED, ADJUDGED AND DECREED THAT**:

1. The definitions of terms set forth in the Agreement are incorporated herein as though fully set forth in this Final Judgment.

2. Pursuant to Federal Rule of Civil Procedure ("Rule") 23(g), Class Counsel, previously appointed by the Court (Cuneo, Gilbert & LaDuca, LLP and Larson King LLP), are appointed as Counsel for the Wire Harness, Instrument Panel Clusters, Fuel Senders, Heater Control Panels, Alternators, Windshield Wiper Systems, Radiators, Starters, Ignition Coils, Motor Generators, HID Ballasts, Inverters, Air Flow Meters, Fan Motors, Fuel Injection Systems, Power Window Motors, Automatic Transmission Fluid Warmers, Valve Timing Control Devices, Electronic Throttle Bodies, Air Conditioning Systems, Windshield Washer Systems, Spark Plugs, and Ceramic Substrates Classes

("Settlement Classes"). These firms have, and will, fairly and competently represent the interests of the Settlement Classes.

3. The Court has jurisdiction over the subject matter of this litigation, over the Actions, and over the parties to the Agreement, including all members of the Settlement Classes.

4. Plaintiffs, having filed complaints in the Actions alleging that DENSO Defendants conspired to rig bids, allocate markets and fix prices for the Alleged Parts (as defined in the Agreement), and DENSO Defendants, having denied Plaintiffs' allegations and represented they would assert defenses thereto, have entered into the Agreement to settle the Actions with respect to the Alleged Parts to avoid further expense, inconvenience, and the distraction of burdensome and protracted litigation, to obtain the releases, orders, and judgment contemplated by the Agreement, and to put to rest with finality all claims that have been or could have been asserted against Releasees (as defined in the Agreement) with respect to Automotive Parts (as defined in the Agreement). Pursuant to the Agreement, DENSO Defendants have agreed to provide specified monetary compensation to Plaintiffs, to cooperate with Plaintiffs in connection with the continued prosecution of the Actions, and to be enjoined as set forth in paragraph 9.

5. The Court hereby finally approves and confirms the settlement set forth in the Agreement and finds that said settlement is, in all respects, fair, reasonable, and adequate to the Settlement Classes pursuant to Rule 23.

6. The Court hereby dismisses on the merits and with prejudice the individual and class claims asserted in the Actions against DENSO Defendants, with Plaintiffs and DENSO Defendants to bear their own costs and attorneys' fees except as provided herein.

7. All persons and entities who are Releasors (as defined in the Agreement) or who purport to assert claims on behalf of Releasors are hereby barred and enjoined from commencing, prosecuting, or continuing, either directly or indirectly, in an individual or representative or

derivative capacity, against the Releasees, in this or any other jurisdiction, any and all claims, causes of action or lawsuits, which they had, have, or in the future may have, arising out of or related to any of the Released Claims (as defined in the Agreement).

8. The Releasees are hereby and forever released and discharged with respect to any and all claims or causes of action which the Releasors had, have, or in the future may have, arising out of or related to any of the Released Claims as defined in the Agreement.

9. The DENSO Defendants are enjoined, for a period of two years beginning on the date of entry of this Final Judgment, from engaging in any price-fixing, bid-rigging, or market allocation as to any Automotive Part in violation of Section 1 of the Sherman Act.

10. Neither the Agreement, nor any act performed or document executed pursuant to the Agreement, may be deemed or used as an admission of wrongdoing in any civil, criminal, administrative, or other proceeding in any jurisdiction.

11. The notice given to the Settlement Classes of the settlement set forth in the Agreement and the other matters set forth herein was the best notice practicable under the circumstances, including individual notice to all members of the Settlement Classes who could be identified through reasonable efforts. Said notice provided due and adequate notice of the proceedings and of the matters set forth therein, including the proposed settlement set forth in the Agreement, to all entities entitled to such notice, and said notice fully satisfied the requirements of Rules 23(c)(2) and 23(e) and the requirements of due process.

12. Without affecting the finality of this Final Judgment in any way, the Court hereby retains exclusive jurisdiction over: (a) the enforcement of this Final Judgment; (b) the enforcement of the Agreement; (c) any application for distribution of funds, attorneys' fees or reimbursement of costs and expenses made by Plaintiffs' Counsel; (d) any application for incentive awards for the

Plaintiffs; (e) the Escrow Accounts (as defined in the Agreement); and (f) the distribution of the settlement proceeds to the members of the Settlement Classes.

13. The entities identified on Exhibit "A" hereto have timely and validly requested exclusion from the Settlement Classes and, therefore, are excluded. Such entities are not included in or bound by this Final Judgment. Such entities are not entitled to any recovery from the settlement proceeds obtained through this settlement. Nothing in this Final Judgment shall be construed as a determination by this Court that such entities are members of any of the classes or proposed classes in the *In re Automotive Parts Antitrust Litigation*, Master File No. 12-md-02311.

14. In the event that the settlement does not become effective in accordance with the terms of the Agreement, then this Final Judgment shall be rendered null and void and shall be vacated, and in such event, all orders entered and releases delivered in connection herewith shall be null and void and the parties shall be returned to their respective positions ex ante.

15. The Escrow Accounts, into which DENSO Defendants have deposited assets with a total value of $61,200,000.00 as the Settlement Amount (as defined in the Agreement), plus accrued interest thereon and net any expenses incurred as contemplated in paragraphs 39 and 43 of the Agreement, are approved as Qualified Settlement Funds pursuant to Internal Revenue Code Section 468B and the Treasury Regulations promulgated thereunder.

16. The Court finds, pursuant to Rule 54(a) and (b), that this Final Judgment should be entered and further finds that there is no just reason for delay in the entry of this Final Judgment, as a Final Judgment, as to the parties to the Agreement, Plaintiffs, on behalf of themselves and the Settlement Classes, DENSO Corporation, DENSO International America, Inc., DENSO International Korea Corporation, DENSO Korea Automotive Corporation, DENSO Automotive Deutschland GmbH, ASMO Co., Ltd., ASMO North America, LLC, ASMO Greenville of North Carolina, Inc., and ASMO Manufacturing, Inc.

17. The Court's certification of the Settlement Classes as provided herein is without prejudice to, or waiver of, the rights of any Defendant, including DENSO Defendants, to contest certification of any other class proposed in the *In re Automotive Parts Antitrust Litigation*, Master File No. 12-md-02311. The Court's findings in this Final Judgment shall have no effect on the Court's ruling on any motion to certify any class in the *In re Automotive Parts Antitrust Litigation*, Master File No. 12-md-02311. No party may cite or refer to the Court's approval of the Settlement Classes as persuasive or binding authority with respect to any motion to certify any class.

18. Accordingly, the Clerk is hereby directed to enter Final Judgment forthwith.

Date: August 21, 2017

s/Marianne O. Battani
MARIANNE O. BATTANI
United States District Judge

**CERTIFICATE OF SERVICE**

The undersigned certifies that the foregoing Order was served upon counsel of record via the Court's ECF System to their respective email addresses or First Class U.S. mail to the non-ECF participants on August 21, 2017.
